

## PLACEMENT - MEDIAN SALARY

Saveetha Institute of Medical and Technical Sciences (SIMATS), a deemed university, boasts an impressive median salary for its graduates, which is a true representation of the average wages in the market. According to the data, the highest placement salary offered to SIMATS graduates is 12-14 lakhs per annum, which is a remarkable feat for a university. This indicates the high demand for SIMATS graduates in the job market and the recognition they receive for their education and skills.

On the other hand, the lowest salary offered to SIMATS graduates is 4-6 lakhs per annum, which is still a substantial amount and a reflection of the university's commitment to providing its students with ample opportunities for employment and financial stability. The wide range of salaries offered to SIMATS graduates shows that the university prepares its students for a variety of career paths and industries, catering to their diverse interests and skills.

In conclusion, the median salary offered to SIMATS graduates is a testament to the university's dedication to providing its students with a well-rounded education and the skills necessary to succeed in their careers. The high demand for SIMATS graduates in the job market is a reflection of the university's commitment to excellence in education and training, and its graduates' ability to succeed in their chosen fields.
