

## Placement statistics - Regional placement

Saveetha Institute of Medical and Technical Sciences (SIMATS) placement cell conducts various training programs and workshops to enhance the students' skills, such as technical skills, communication skills, and aptitude skills, which are essential for getting placed in top companies. The placement cell also invites top companies to the campus for recruitment drives. Many reputed companies visit the campus for recruitment, and the students of SIMATS have received placement offers from companies like Scapic, TCS, Cognizant, Wipro, Infosys, Accenture, Amazon, etc. The average placement package offered to students is around 5-6 LPA, while the highest package can go up to 16-18 LPA. Overall, the regional placements in SIMATS are quite good, and the university has a strong reputation for providing quality education and placement opportunities to its students.
