

PLACEMENT DRIVE

The Saveetha Institute of Medical and Technical Sciences (SIMATS) Deemed University has been consistently providing quality education to its undergraduate and postgraduate students, preparing them for a successful career in their chosen fields. As part of this commitment, SIMATS has been hosting both in-house campus and off-campus placement drives, offering students the opportunity to secure employment with some of the leading companies in the industry.

Companies such as Wipro, Cognizant, Accenture, Adobe, and others have been selecting students from SIMATS due to their high level of academic achievement and practical training. The placement drives are organized with the aim of bridging the gap between industry requirements and student skills. The university ensures that students receive comprehensive training and exposure to real-world scenarios, allowing them to develop the skills and knowledge necessary to succeed in today's competitive job market.

In addition to the placement drives, SIMATS also provides students with career counseling and mentorship, helping them to make informed decisions about their future careers. The university has a robust network of alumni and industry partners, providing students with valuable connections and resources to help them achieve their professional goals.

In conclusion, SIMATS Deemed University is dedicated to providing its students with a well-rounded education that prepares them for success in their future careers. With its commitment to student success, innovative training programs, and strong industry partnerships, SIMATS is helping to shape the next generation of leaders in the medical and technical sciences.
