

SIMATS DEEMED University

Plagiarism

Promoting Academic Integrity and Preventing Plagiarism

SIMATS strictly adheres to the UGC (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Educational Institutions) Regulation, 2018. In order to ensure quality and excellence in research, at SIMATS, faculties and students are advised to follow strict guidelines to promote academic integrity and deterrence from plagiarism. Premium plagiarism softwares such as Turnitin, PaperRater and urkund (UGC recommended) are purchased and access is provided to faculties. Student Thesis and Research publications are scrutinised by the constituted “Publication peer review committee” prior to its submission. Faculties and Students (PG’s and research scholars) are exposed to the necessity of scientific and academic integrity by preventing plagiarism through seminars and awareness programs. Faculties are also taught with the plagiarism check softwares through faculty development programs. Research data transparency and verbatim of the content is therefore highly ensured at SIMATS.
