

EXTRAORDINARY AMBIENCE

STATE OF THE ART FACILITIES

Saveetha Prime is the latest feather to be added on the cap of Saveetha Dental College and is fondly referred as Environmental Dentistry. The calm and soothing ambience designed was aimed at dispelling Dentophobia or fear of Dentists. Saveetha Prime is a promise land for all your dental problems and works tenaciously from dawn to dusk to provide top notch dental treatments under one roof and benefits patients who cannot make it during their work hours. A unit of Saveetha Dental College, it's a new take in oral health care which is designed like a park rather than a clinic. It is a speciality practice which has over 10+ Operatories, advanced diagnostic imaging and treatment equipment such as lasers, microscope aided dentistry etc. Spread over an area of over 15,000 + sq.ft it houses close to about 200+Specialists and Professors who are available under one roof to administer the best possible dental care to patients. This place has magical abilities to relax and heal patients that transports you to tranquility. It houses state of the art infrastructure and uses contemporary techniques managed by an excellent team of doctors who place your time, comfort, quality ethical care above all else. Our soul is our genuine ethical practice and our prices are reasonable that would parallel most small scale setups across the city. Furthermore, being run by a non profit organisation ensures that the treatment provided is always ethical and the prices are always consistent across all our patients. Saveetha Prime is an amalgamation of unique ambience, affable treatment providers and advanced diagnostic / therapeutic gadgets that will make your experience like none other. Your time is too precious to be lost in disarray and we take utmost care to schedule your procedures to create the least hassle possible!
